

Hi-tech Performance - Old Fashioned Appearance

Double Wall Construction with a 3/8" air space between inner and outer pipes provides superior insulating value to single wall pipe. Better insulating value keeps flue gas temperatures higher. This helps your wood stove perform with an enhanced draft, which provides:

- less chance for moisture or soot build up within the vent
- reduced smoking of the stove at start up
- increased efficiency

ULTRABlack not only keeps the flue temperatures higher, it keeps the outer pipe temperatures cooler. This allows **ULTRABlack** to be installed with only 6" clearance to combustible materials. Single wall stove pipe requires an 18" clearance, which typically means your wood stove sits further away from the wall and takes up valuable space within the room.

Most attractive double wall product on the market, no unsightly slots or vents

The outer casing is constructed of Satincoat steel. Satincoat is attractive and durable when painted. **ULTRABlack** is painted with Forrest Paint "Stove Bright" premium quality, high temperature paint to provide a rich appearance that complements your wood stove.

Never, ever buy another stove pipe

No Hassle Lifetime Warranty

We warranty the **ULTRABlack** chimney connector against burn out when it is used to vent a wood burning stove or free standing fireplace. If any component of your **ULTRABlack** stove pipe system ever burns out (develops a perforation as a result of use or corrosion) simply return it to any Excel dealer for a replacement part at no charge. Sorry, we won't pay any labor to remove or replace the **ULTRABlack**, and we won't pay the freight between you and the dealer.

The fine print: you don't need your original bill of sale. You don't need the date of installation. You don't need to show us that the chimney was cleaned regularly (but we recommend it). You don't need to fill out a warranty card. You don't even need to know our toll-free number. Just bring the **ULTRABlack** to your local Excel dealer and they will give you a new one. Period.
